MEMORANDUM No. 031-05
 Series of 2021

TO : **Director II for Fisheries**
 Regional Office

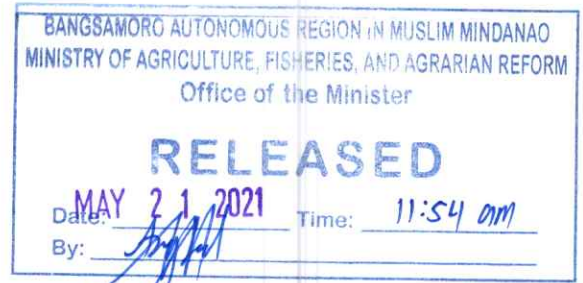

All Provincial Directors
 Attention: **OIC – Fisheries and Staff**

Technical Staff (Production and Aquaculture Division)

FROM : **The Minister**

Date : **June 1-3, 2021**

SUBJECT : **Training of Facilitators/Refresher Course on Aqua-based Business School with Gender and Climate Change Perspective**

The Aqua-based Business School (ABS) with Gender and Climate Change (GCC) Perspective is a participatory action learning approach supporting fisherfolks' participation in dynamic fishery value chains. Guided by a structured yet flexible curricular framework, ABS-GCC comprises a series of group-based experiential learning activities over a production-marketing cycle while interacting with other chain actors and stakeholders.

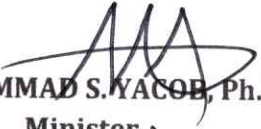

The Fisheries, Coastal Resources and Livelihood Project (FishCORAL) will be conducting training of facilitators as well as refresher course to the technical staff of the Fisheries Services and FishCORAL staff on Aqua-based Business School with Gender and Climate Change Perspective in partnership with FishCORAL ABS-GCC Consultants from the Project Support Coordination Office (PSCO) on June 1-3, 2021 at Alnor Hotel and Convention Center, Cotabato City.

In lieu of this, you are hereby directed or any of your staff (two participants each division/section) to attend the above-mentioned activity. This is one of the exit strategies of FishCORAL to ensure the sustainability and continuous support of MAFAR staff to the fisherfolk who are directly involved on the implementation of the ABS-GCC approach.

Attached herewith is the program of activities for your guidance.

We will be glad if you could confirm your attendance to Ms. Ziahara S. Esmail, Institution and Gender Officer at mobile number 09662954756.

For your information and guidance.

MOHAMMAD S. YACOB, Ph.D.
 Minister
