SUBJECT : Capability enhancement training of MAFAR Staff on Coastal Resource Management (CRM) with emphasis on Marine Protected Areas (MPAs)

One of the activities of the Marine Resource Management Section of the Fisheries Resource Management Division is to facilitate and provide technical assistance to the Local Government Units (LGUs) and fisherfolk in the coastal communities in understanding the importance of coastal resources management and the establishment of Marine Protected Areas (MPAs). The training also serves as an essential tool in their future engagement with the different sectors involved in the management of the coastal resources.

Anent to this, you are hereby directed to send two (2) of your staff from the Fisheries Resources Management Division (FRMD) to attend the said training on **July 28-29, 2021 at CNX Resto, Cotabato City.**

Attached is the program of activities for your perusal. For any inquiries or clarifications, please contact Jonh Mark Millan, Aquaculturist II at his mobile no. 09677083520.
