This is regarding the ongoing implementation of the Ministry of Agriculture, Fisheries, and Agrarian Reform Local Exchange and Network of Goods in any Kind of Emergency (MAFARLENGKE), as the banner marketing development program of the ministry.

The MAFARLENGKE Online is one of the modalities and schemes of the program that was aimed at providing market information and market facilitation to the local agri-fishery entrepreneurs through the use of online platforms.

In relation with this, the ministry through the Agribusiness and Marketing Assistance Division (AMAD) developed the E-Bangsamoro system, an online marketing platform for the agri-fishery enterprises in the region. You can access the website in this URL: <https://padiansabangsamoro.ph/p/web/index.html>.

Moreover, you are hereby directed to use the system and advocate for the use of the latter for the registration and showcase of products of the farmers, fisherfolks and agrarian reform communities in the region.

For more information and concerns, you may contact **AMAD Chief Tong D. Pinguaman, Ph.D.** with his mobile number at **0917-105-3189**.

For information and **STRICT COMPLIANCE**.
